

# MEETING MINUTES

## GENERAL MEMBERSHIP MEETING

10/04/11

### 1. Treasurer's Report – Matt Eskridge.

There was not a report presented

### 2. Police Report

Officer Kevin Vaught:

- The illegal parkers on Race Street have been addresses and will be watched during Ravens Games.
- City is working on zoning violations made by the area gas stations and convenience stores. These violations are made when they allow their property to become paid parking lots during stadium events. A location must have a permit to use their property as a paid lot.
- Butterbean (Officer Vaught) releases a crime update on Mondays one of the things pointed out was people talking on cell phones and texting while walking. This allows people's guard down and they become possible victims to crimes.
- There is a new Sergeant in our Sector – Sgt. Steve Bradshaw ([steve.bradshaw@baltimorepolice.org](mailto:steve.bradshaw@baltimorepolice.org))
- When a car blocking an alley we can call 911 when 311 is not available.
- There were complaints made to Neighbors during the last COP walk regarding Rayzors.
